

# Pre-enrol your child

For the 2023–24 school year

Whether your child is enrolling at the same school or changing schools, all students need to pre-enrol. Knowing how many students to expect helps schools prepare for September.

## Your options

### Select your child's designated school

You have a designated school in our Division if your child is a resident student (which typically means at least one parent or legal guardian lives in Edmonton and is not Catholic). Visit [epsb.ca/fast](https://epsb.ca/fast) and talk to your child's school to find your designated elementary, junior high or high school.

OR

### Choose to continue at the same school

If your child is continuing at the same school or program, you still need to pre-enrol.

OR

### Select any other Division school

The school must have available space, and your child must meet the school's [entrance criteria](#) (if applicable).

**Online learning** – If you want your child to learn online, pre-enrol at [Argyll Centre](#).

## Pre-enrol in SchoolZone by 4 p.m. on April 14

What to do	How	When
Visit <a href="https://schoolzone.epsb.ca">schoolzone.epsb.ca</a> to sign in to your <b>parent</b> account.	→ Choose <i>Next Year</i> and select the name of the child you are pre-enrolling. Follow the instructions to complete pre-enrolment.	→ Pre-enrol between 9 a.m. on March 6 and 4 p.m. on April 14, 2023.

For help pre-enrolling in SchoolZone, contact your school.

### Course selection is NOT part of selecting your preferred school in SchoolZone.

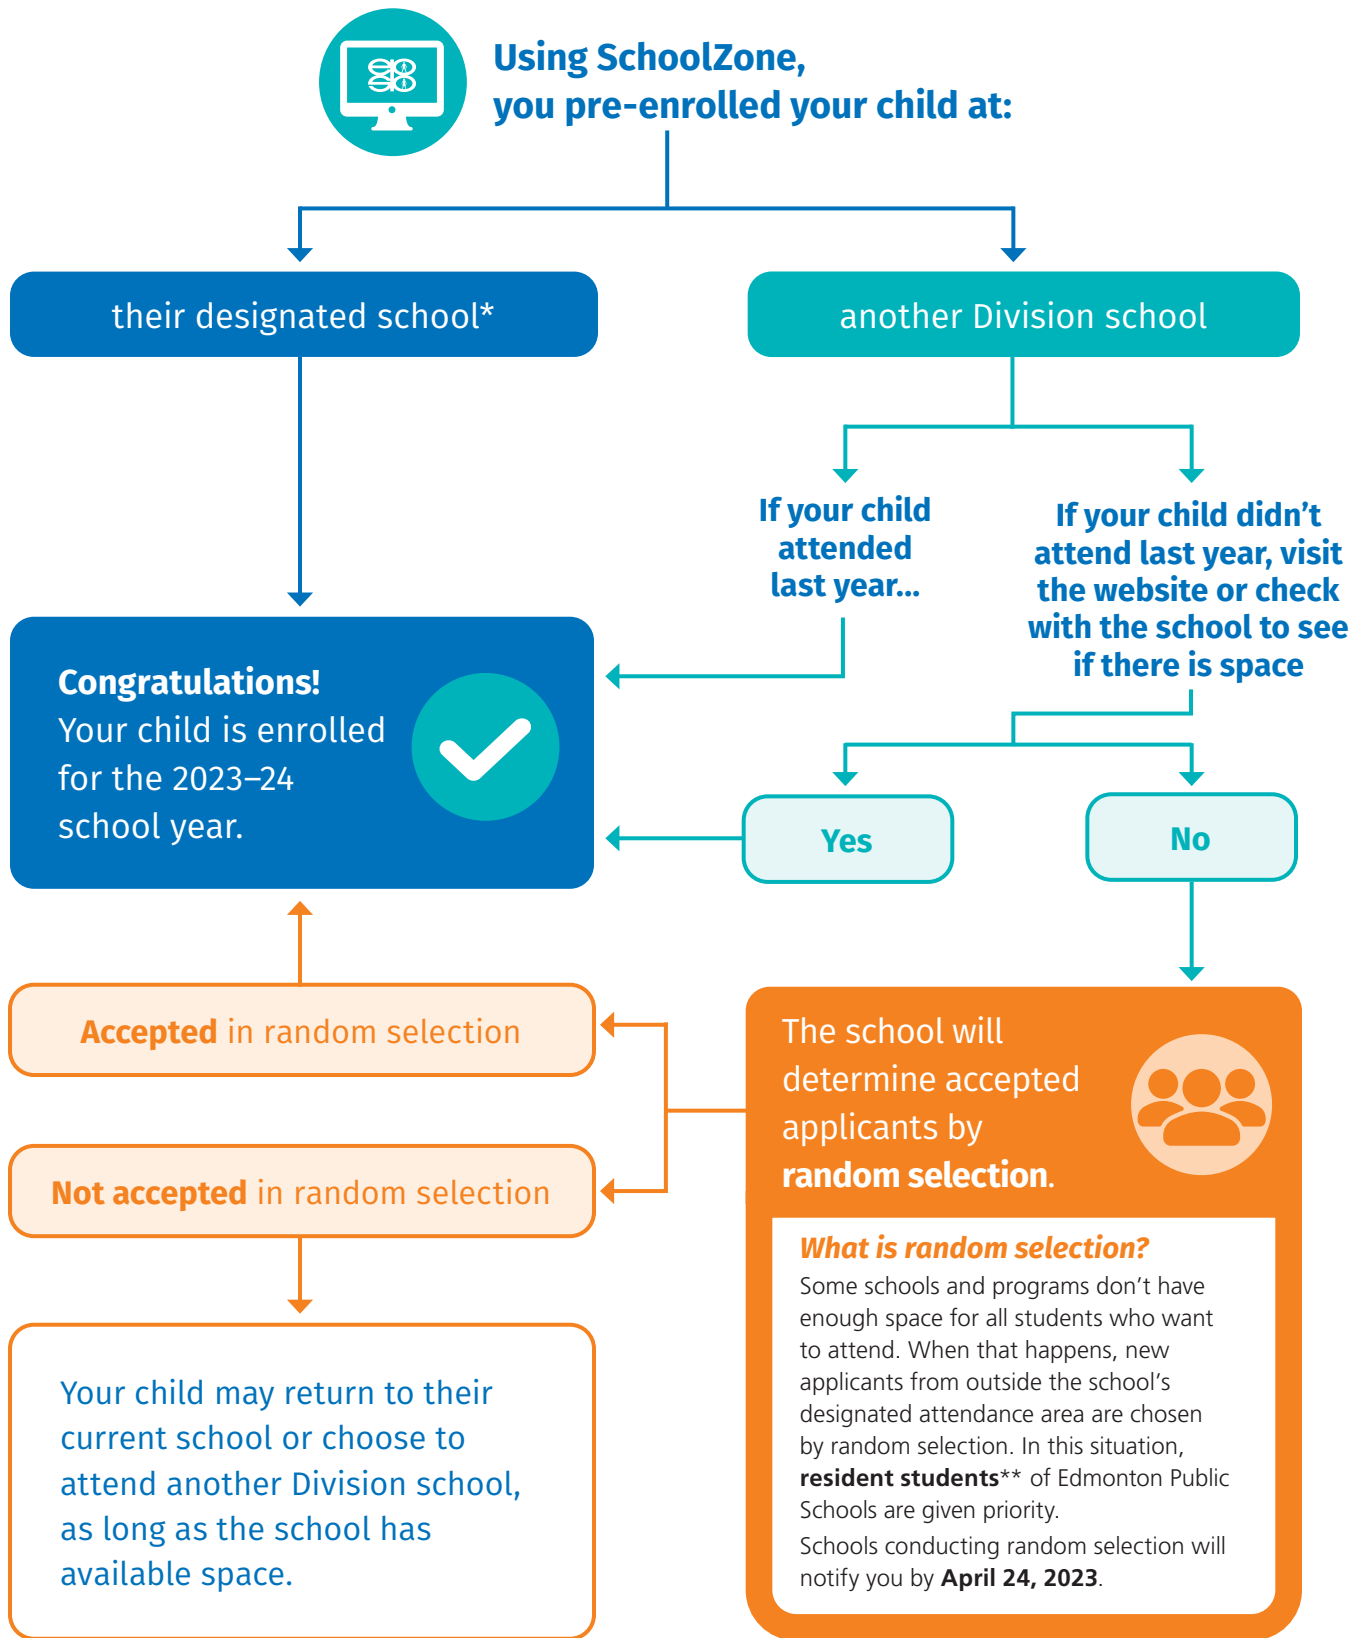

Junior high and high school students will choose specific courses (e.g., fine arts, career and technology studies) through a separate process at their current school.

## Registering new students

Students who are **new to Edmonton Public Schools** need to submit a completed student registration.

Find the form and a list of documents we need to confirm your address and your child's legal name at [epsb.ca/schools/register/newstudentregistration](https://epsb.ca/schools/register/newstudentregistration).

# What happens after pre-enrolment?

\*Resident students can attend their designated school if they register or pre-enrol no later than April 14, 2023. However, if their designated school uses a lottery process, some students may not be able to attend that school. Learn more at [epsb.ca/lotteryprocess](https://epsb.ca/lotteryprocess).

\*\*A resident student typically has at least one parent or legal guardian living in Edmonton who is not Roman Catholic.
